Best Referee – Melissa Thomas **Best Volunteer** – Scott Scriven

A big thank you to all the volunteers on helping to set up on Friday, run to schedule on Saturday and packing up Saturday afternoon. This was a big feat, but through the many hours that SIR spent organising this competition and the volunteers help to run it we achieved our goal.

We have had many comments from our parents and parents from other clubs on how well this competition was run, so again congratulations to all involved and lets hope next year is bigger and better.
